9:30 AM

Mayor Eastman called the special meeting/budget workshop to order at 9:38; roll call was taken with Councilors Joy Porter, Angel Vanderwilt, and Chris Robinson present; Gary Ventress was absent.

Mayor Eastman and Council reviewed the tentative budget revenues for 2018-2019, provided by the City Treasurer, Ann Clapper, who answered questions regarding where the numbers came from, what some of the categories include, and changes in projected revenues. Much discussion ensued, including Lakeland reimbursement for the SRO (school resource officer), cemetery fees, explore charging a fee for street closure event requests to cover any overtime paid to the police department and/or public works employees for said event, as well as increasing various other fees in the same resolution and required public hearing for any increase over 5%. Also discussed was if Volunteer Park will be completed, and if any impact fee funds will be needed for park improvements.

Councilor Porter motioned to adjourn the meeting, seconded by Councilor Robinson and a vote of aye by all – motion passed.
