I hereby certify that I have read and examined this application and know the same to be true and correct. This application does not authorize any type of work to be started. A building permit will be issued after a review of this application and necessary plans for building, engineering, and planning compliance. If City Engineers are involved Applicant is responsible to pay Engineers fees.

This application becomes null and void if not purchased within 180 days from submittal date below.
Equivalent Residential Unit's (ERU's) are not guaranteed until total permit fees are paid in full.
